

Wiper blade sourcing & export

Buyer catalogue | LUOKAGI range

For importers, distributors and private label buyers serving the United States, Latin America and Brazil.

ZEDUO TRADE is a trading company sourcing from multiple factories. Production takes place at the supplying factories.

Build a clear purchasing brief

- 01 Select the model and intended vehicle application.
- 02 Send quantities by length, connector photos and destination.
- 03 Confirm specifications, sample availability and packaging.
- 04 Agree on the quotation and commercial terms before ordering.
